Style Guide

This assignment intentionally excludes any supportive elements like logos, images, and icons. The objective is to assess your design skills solely. Please refrain from using the same color palette as depicted in the wireframe provided. Feel free to explore and experiment with a different color scheme that suits your design. Remember to have fun while showcasing your design skills!

Typography

Inter - Google Fonts Typeface

Inter is a variable font family carefully crafted & designed for computer screens. It features a tall x-height to aid in readability of mixed-case and lower-case text. Several OpenType features are provided as well, like contextual alternates that adjusts punctuation depending on the shape of surrounding glyphs, slashed zero for when you need to disambiguate "0" from "o", tabular numbers, etc.
